Student | ⦿ Guebwiller, France

Student in computer science and mathematics.

2018

Le Bureau Ciotaden
Receptionist / Assistant | ⦿ La Ciotat, France

Assistant and receptionist for a computer science repair shop.

About

I'm a passioned fullstack developer. I started when I was 8, writing my first lines of code in Java, creating minecraft mods. I then moved to web development, and I'm now working with the latest technologies, such as Svelte, Deno, and TypeScript. Later, I want to create some apps for myself, that will maybe be used by others.

Skills

Front-End

`React` `Svelte` `NextJS`
`TypeScript` `PWAs`

Back-End

`NodeJS` `Firebase` `MariaDB`

Other

`Photoshop` `Premiere Pro` `Excel`

Education

I have a High School Diploma in Computer Science and Mathematics, and I'm currently studying at the University of Mulhouse, in Multimedia and Internet, where I'm learning about web development, 3D, video, and audio. I'm in my first year.
